Re: Student Film project in Los Angeles

This is to verify that students from Northern Arizona University are shooting a short film from May 20-31, 2019 in the Los Angeles area. There are 9 students earning 3 credits for the class, CMF 435 Advanced Filmmaking Topics.

This project is for a school only (not for commercial purposes).

Enclosed you will also find the verification of liability insurance for the production.

I am the faculty member supervising this project and their professor of record for the course.

Thank you kindly.
